

Ringo Madlingozi Vulani Mp3 Download. For those who are not familiar with him, Ringo was one of the members of The Beatles that remained after John Lennon had left. His solo career has seen him become one of the most successful musicians in Africa. He has released songs like "It Don't Come Easy" and "Blessed". These songs became popular throughout the world and were even included in movies like Fast Five, The Hangover Part III, and Shrek 2. His songs are known to feature prominent horns and riffs that are usually incorporated into his songs. His vocals are often described to be soulful and emotive. His music has been known to include elements of rock, funk, blues, reggae, R&B, and hip-hop. Ringo also releases music under the alias "Setitee". He has been in the music industry since 1964. He has released a total of eight albums with his most recent being "Masterpiece".
